PEOPLE

Enable Face Search

This feature leverages face identification technology to search for people in videos e.g. welcome visitors or persons of interest.

Enable People Attribute Search

Enabling this feature will allow our computer vision technology to identify clothing color, sleeve length and accessories on a person.

VEHICLE

Enable License Plate Number Search

Enable this feature to find specific vehicles by searching for their license plate numbers using license plate recognition technology.

Enable Vehicle Attribute Search

Enable this feature to identify the color, make, and body type of vehicles in your videos with our computer vision technology.

SECONDARY FILTERING

People and Vehicle Secondary Filtering

This feature enhances accuracy by re-processing initial detection results. However, increased precision may result in fewer alerts. This feature is only applicable for cameras with Com licenses.

NOTE: ENSURE THE END USER SITE AND GEOGRAPHIC AREA ALLOWS FOR BIOMETRIC-BASED ANALYTICS SUCH AS FACIAL CAPTURE

APPLYING LICENSES

The screenshot displays the TURING Partner Portal interface for 'Tornado Prevention Group, LLC'. The left sidebar contains navigation links: Discover, Dashboard, Customers, Device Health Alerts, Customer Subscription (marked BETA), License Requests, Store, License Orders, Org Settings, and E-Marketing. The main content area shows a list of devices, with a modal window titled 'Add License' open in the foreground. The modal lists five license options, each with a radio button for selection:

- Core AI**: Including Core AI 30d free trial, 1yr, 3yrs, 5yrs, 10yrs; On Demand (Usage-based); and Upgrade license; Applies to all cameras except those with Essential licenses.
- LPR**: Including LPR Core and Premium 1yr; Only applies to camera TP-MMB4AV8L.
- Turing Essential**: Including Essential 1yr, 3yrs, 5yrs, 10yrs and perpetual Essential; Applies to Turing cameras with Basic licenses, 3rd-party cameras without licenses, and those with existing Essential licenses.
- Axis to Cloud with AI**: Including Axis Cloud with AI 1yr, 3yrs and 5yrs licenses; Only applies to integrated or compatible Axis cameras.
- Guardian AI (For Basic / Unlicensed Cameras)**: Including 1) General License (1/3/5 yrs) – for Turing Basic-licensed and unlicensed 3rd-party cameras. 2) SafeCity License (1/3/5 yrs) – for Basic or unlicensed LPR cameras only. *Reminder: To enable full Guardian AI functionality, ALL cameras under the customer's account must have Guardian AI licenses. Partial licensing will limit features.*
- Guardian AI Add-on (For Core AI / Premium Cameras Upgrade)**

The modal has 'Cancel' and 'Continue' buttons at the bottom right. In the background, the 'Add Licenses' button in the top right corner of the device list is highlighted with an orange box, and an orange arrow points to it from the right. The background also shows 'Installation Complete' and 'Resume Installation' buttons, and a 'Device Upgrade' dropdown menu.
