

SOLARSHIELD

ALL-IN-ONE OUTDOOR SOLAR-POWERED VIDEO SURVEILLANCE

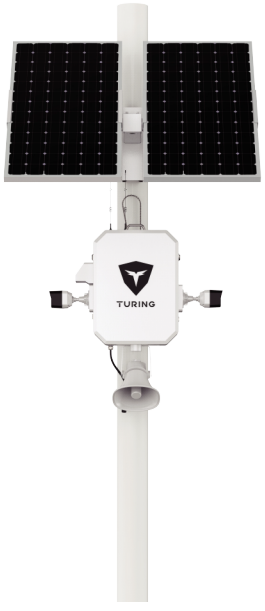

Revolutionize your security with Turing SolarShield, the turnkey and the ultimate solution for sustainable outdoor video surveillance. This cutting-edge technology, which is solar-powered and has advanced AI, will always give you peace of mind, wherever you are.

Package Includes

- 2x 90W Solar Panels
- Battery with 900WH
- 2x Edge+ Zoom Bullet Camera
- 5G LTE Router, supports AT&T, Verizon, T-Mobile and FirstNet
- Remote Power Management & Reboot
- SolarShield Add-on Module License
- 3 YEAR Core AI Licenses & Hardware Warranty

The Future of Solar Powered Outdoor Security

By combining resilience and sustainability, the SolarShield offers a long-term and reliable energy solution that minimizes environmental impact while ensuring consistent power generation. During severe storms or extended periods of limited sunlight, the SolarShield's ability to withstand and adapt to such conditions makes it a versatile and robust option for sustainable energy production.
